Unifor Family Education Program

What is the Unifor Family Education Program?

This is a unique program where members and their families learn about our Union and about issues facing Canadian families.

ADULTS will discuss current economic and social issues from a worker's viewpoint, as well as the history, structure and policies of our Union. We will also have a number of excellent guest speakers on topics that touch the lives of workers every day: changing society, globalization, our health care system, coalition building, human rights and equality issues, to name a few.

All sessions are held in a comfortable and very informal setting.

TEENAGERS - 13 to 18 years, will be involved in their own program that will be geared to the concerns and issues of their age group. Again, the setting for their discussions is informal and relaxed.

CHILDREN - 4 to 12 years will have a program supervised by trained recreation counsellors with activities ranging from arts and crafts to games and sports.

CHILDREN - infants to age 3 will be cared for in the day-nursery, complete with infant daycare and preschool facilities - including sleeping accommodation, enclosed playground and qualified staff. Please note that infants must be enrolled in child care and will not attend the classroom sessions with parents.

Will there be family time?

Discussions in class generally run from 9:00 am to 4:00 pm. Evenings are free to enjoy an array of recreation activities. The Centre is equipped with sports facilities as noted elsewhere in this application.

If this sounds like something you and your family would be interested in, complete an application and submit before the registration deadline of Friday, April 12th. (See application to find out where to return your completed application.)
