Re: Assistance for The Salvation Army Ingersoll Foodbank

Dear Members,

The Salvation Army food bank in Ingersoll serves our local and surrounding community in need including kids and seniors with food, personal hygiene items, bath and body products and stationary for schools and college. We are able to provide all this with the support of our community through individual donations and food drives. The two major food drives that fill up our shelves are Realtors Care Food Drive and Stuff-A-Bus food drive.

This year the Stuff-A-Bus food drive did not happen. This has led us struggling for a number of items that our clients require.

Our food bank is in need of items such as Canned Meat, Bath and Body Products, Spaghetti sauce and soups.

It is very fulfilling to have our food bank shelves full, especially during the colder season, which helps us serve our community better. With that in mind I would request you to consider making a donation to our food bank. With your assistance we will be able to offer more to our community.

Thank You! May God bless you.

Sincerely,
Lovish Sharma
Community Ministries Coordinator
