Ingersoll, Ontario N5C 4A6

Subject: Online Hourly Posting Process

Date: September 17, 2020

To: All CAMI Assembly Hourly Employees

From: Employee Relations

As previously announced, effective Monday, September 21, 2020, CAMI Assembly will be implementing a new online posting process for hourly team members. This process will replace the current process of filling out paper posting slips, placing them in the posting box and sorting the postings by hand.

The Task Instruction Sheet which details how to access the new online posting process has been posted in the following areas:

- GM CAMI Assembly website
- CAMI Assembly Facebook page
- On the current posting boards
- The Unifor Local 88 website
- Attached to this memo

When job postings are available, they will be posted Monday through Friday (excluding scheduled holidays). Each round will be posted for only forty-eight (48) hours. They will be displayed at the following locations:

- GM CAMI Assembly website
- CAMI Assembly Facebook page
- On the current posting boards

A computer will be available near the old posting submission box (follow signage in the blue hallway) for any team member that cannot access the new online posting system on their own mobile device or computer.
