

HAPPY RETIREMENT

Mike VanBoekel and myself were in Toronto for General Motors bargaining for the last few weeks so I'm a little late getting the retiree list posted. The following is the list of November 1, 2020 retirees, who unfortunately did not get the opportunity to say their goodbyes. Please read over the list and if someone you know is retiring please give them a call, email or face book post congratulating them on their retirement. It doesn't take much time and you definitely have the time, your ex co-worker will really appreciate hearing from you.
