

I received the following email requesting support at the Reliance locations across the province, if you are in the area and have time, please drop by it will be greatly appreciated.

Good afternoon

We have 778 members locked out by their employer at Reliance Home Comfort. These members are located across Ontario in various locations. If you have the opportunity to stop by their line to show support it would be appreciated. Please note there may be some smaller Reliance locations that picketing may also be occurring at and the hours below may change as the needs of the line change as well. Should you have any questions, please feel free to contact me.

Thank you in advance for your solidarity
