

GM Canada Vaccination Reporting Now Available on Personal Devices Deadline Extended to November 19

Team,

To make it even easier for everyone to complete the Vaccination Status survey, the site can now be accessed using personal devices like **your mobile phone, tablet, or home computer.**

We would like to recognize the GM IT team, who has been working at “mask speed” to implement the changes necessary to make this possible. What would normally require months, the team delivered in just 14 days.

We would like to thank the **over 2,100** members of the GM family who have already completed their vaccination status survey!

To ensure that everyone has a fair and reasonable opportunity to complete the survey we have extended the **Deadline to Report to Friday, November 19, 2021.**

HOW TO REPORT VACCINATION STATUS

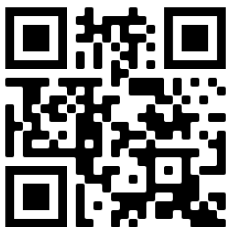

1. **Scan QR code** or visit <https://vax.cpi.gm.com/>
2. **Enter your GMID** (unique six digit code) and password to login.
If you do not have an active GMID, instructions to reset your GMID are included below
3. **Answer Which best describes your COVID 19 vaccination status:**

- I am fully vaccinated
- I am not fully vaccinated
- I am exempt from vaccination
- I do not intend to get vaccinated
- I do not wish to disclose (note: for the intentions of safety planning this will be treated as not vaccinated)

4. **Attest** that the information you have provided above is accurate and acknowledge you may be required to provide proof of vaccination or medical exemption.

If you are **seeking an exemption** of any kind you should select "I am exempt from vaccination" when completing the survey. That will initiate a review process to determine whether an exemption is warranted and, if so, what accommodations may be required

HOW TO ACTIVATE OR RESET GMID

- 1) Scan QR code or Visit gmid.gm.com
- 2) Select “account remediation for Team Members” to make updates.
- 3) Then follow the online instructions.
It is important to set up your 2-step verification, which is required to secure your password and provide you with a method of retrieving your password if you forget.

Click [here](#) for more detailed instructions to help you through the process. If you have questions or need assistance contact the Shared Service Centre, at 1-800-930-9130 or gmnapeservices.us@gm.com.

Please see the [GM Canada Mandatory COVID-19 Vaccination and Reporting Policy](#) on Socrates for more information on the policy and frequently asked questions.
