Subject:  
2023 Return to Work- All Team Leaders

Date:  
December 22, 2022

To:  
All GM CAMI Assembly Team Leaders

From:  
HR/LR

Department:  
All

Department:  
HR/LR

All production Team Leaders are scheduled to return to work for **January 16<sup>th</sup>, 2023**, on day shift, to begin training in their Team Leader roles. This will be a combination of classroom and on-the-job training and all PPE is required (safety boots/shoes, safety glasses).

Please report to the following location for 7:00am:

**Body/Paint:** Old Stamping Salary Office

**Assembly/Quality/Materials:** Auditorium (Admin Building)

All badges will be activated and turn-styles will be in use. If you have any issues with your swipe in badge at the turn-style, you will be required to sign in through the security entrance.

More details regarding the return-to-work training plan will be provided during this week.

**\*\*Communication regarding the production Team Member return-to-work schedule will be communicated in the new year.\*\***
