

1. Check your registered Email inbox for an Email from Unifor Local 88.

2. At the Voting Login Page, enter your Elector ID and Password as sent to you via email to your registered email address. Your *Elector ID* is your employee number.

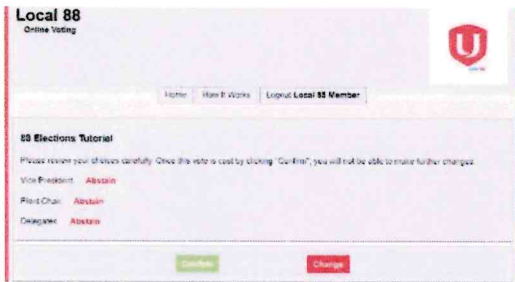

3. Ballot access screen. This screen shows previous voting receipts (none) and current open ballots. Click the link under Current Ballots.

4. Ballot Screen – Select the candidates you want to elect. Positions can be left blank. All fields are optional.

5. Select up to 7 delegates or none, as is your preference.

6. Confirmation Screen – Here you can make changes if you noticed an error by clicking “Change” if ok, click “Continue”

7. Voting Successful Screen – A receipt will be emailed to you. You can also view the voting receipt from this screen.

**If you log back in after voting you will be able to access your voting receipt. You will not be able to revote. If there are any issues, call the number above.**
