

Learn with the experts. Grow with Google Career Certificates.

Scholarships are now available for Google Career Certificates!

No experience required – just your passion and ambition!

Scholarships are available upon registration – first-come, first-serve – until March 31, 2026.

In-demand credentials include:

- Cybersecurity
- Data Analytics
- Digital Marketing and E-commerce
- IT Support, Project Management
- User Experience (UX) Design
- Business Intelligence
- IT Automation with Python
- Advanced Data Analytics
- AI Essentials
- Prompting Essentials

To register, please speak with your Employment Counsellor.

Important note for Learners: Learners must remain active and engaged in the program. If a learner is inactive for more than 90+ days, the learner's scholarship will be discontinued.

Google Career Certificate scholarship opportunities are made possible through the generous support of Google Canada.
