Saturday, September 6, 2025 at 9AM

Sponsored by the London Prostate Cancer Support Group and The EIR Centre

September is Prostate Cancer Awareness Month

This important event is part of our efforts to raise awareness during Prostate Cancer Awareness Month.

It's open to men aged 40 and above who have not yet been assessed for prostate cancer.

Early detection plays a critical role in prostate cancer outcomes, and we're proud to offer this opportunity as part of our commitment to community health.

If you have any questions prior to the event, please don't hesitate to reach out.

We look forward to welcoming you on September 6.
