

Fanshawe College Industrial Management Certificate and EV Fundamentals Micro-Credential

Unifor Grant Opportunity
Application Deadline November 20, 2025 – 12 pm

The Unifor EV Auto Sector Upskilling Training Project is opening applications to Unifor IPS members for an Industrial Management Certificate program and EV Fundamentals Micro-Credential. The student will earn both Certificates.

What is the Program – The Industrial Management Certificate along with the EV Fundamentals Micro-Credential Certificate are on-line instructor led Certificate Programs. These Certificates were developed by Fanshawe College, which is an accredited and recognized College. **The Program curriculum is attached.**

Outlook – These certificate programs prepare students with the essential knowledge and skills to thrive in the manufacturing sector, preparing for a wide range of leadership positions and gain knowledge in the EV Battery sector. The student will learn:

*Leadership and Management Skills *Advanced Communication Skills *Safety and Compliance
*Project Management *Operations and Quality Management *EV Battery Fundamentals

Program Schedule and Location – The programs first two days will be in-person at Fanshawe's Woodstock location on January 6 and 7th. The remaining portion of the program will be delivered on-line and will run from January 12, 2026 – June 11, 2026, allowing for a student to complete the program from home. The program will be 360 hours - approximately 16-20 hours a week.

Eligibility – Unifor IPS member, Grade 12/GED, Grade 12 English, Grade 10 Math, proficient computer skills

Cost – Tuition will be covered by the program. Each student will need to provide their own transportation.
