

2026 Bargaining Proposal

In preparation for the 2026 negotiations, the Bargaining Committee wants to hear the members' needs, wants and concerns.

Scan the QR code below or copy the link <https://forms.gle/cXP5iopSSrovBfg66>

- Paper copies will be available if needed.
- Paper copies can be found at the hall/union inplant office

Please take the time to answer all following questions and submit by February 6th, 2026.

Personal information and additional comments are optional. Trade specific questions are located on page three. There is room throughout to expand on the questions or add your own comments and suggestions.

You can also email 88bargaining@gmail.com

***Your Master Bargaining Committee's main priority in the 2026 negotiations will be securing investment and product for the plant.**

In solidarity,

Master Bargaining Committee
